

Accounting Services Resource Hub

Welcome to the Accounting Services Resource Hub at Lion Business Services, where we offer a range of tailored accounting solutions designed to meet the diverse needs of your business. Our services are customized to align with your specific requirements, ensuring accurate and efficient financial management.

Customized Accounting Services

Flexible Pricing: Our rates depend on various factors, including your business's gross receipts, the number of transactions, and the need for custom reports.

Comprehensive Solutions: We provide personalized services such as bookkeeping, payroll services, 1099 employee payment tracking, preparation and mailing of 1099 forms, employee verification letters, financial reporting, and more.

Importance of Accurate Accounting

Accurate and diligent accounting is essential for the financial health and compliance of your business. It provides a clear picture of your financial status, aids in decision-making, and ensures adherence to regulatory requirements.

Consultation and Agreement Details

Initial Consultation: We offer an initial consultation for \$100, which will be credited towards your service fees if you choose to continue with us.

One-Year Agreement: To ensure consistency and stability in your accounting services, we require a one-year agreement, with the price locked in for the duration of the contract.

Why Choose Lion Business Services for Accounting

Tailored to Your Needs: We understand that each business has unique accounting needs. Our services are customized to fit your specific requirements.

Expert Team: Our skilled accountants bring expertise and precision to every aspect of your financial management.

Commitment to Quality: We provide high-quality, reliable accounting services that contribute to the success and growth of your business.

Getting Started

To begin with our accounting services, please schedule an initial consultation where we can discuss your specific needs and how we can best serve you.
